2. Table of Contents

Chapter 1 — The Beginning

This is a very short first chapter.

It introduces the book with a couple of lines of text. The purpose is to provide tiny test content for eBook handling.

Chapter 2 — A Small Twist

The second chapter describes a small twist. It's only one short paragraph.

The aim is to test parser and TTS behavior with short content.

Chapter 3 — The End

A very short final chapter closes the book in a couple of lines.

That's it — minimal content for an EPUB test file.
